

Material Safety Data Sheet

1. Chemical Product and Company Identification

Product Trade Name: DUST-OFF® Foam Cleaner
Chemical Family: N/A Mixture
FSP Model No: DCFC, DC FCCN

Chemical Manufacturer: Various

Product Manufacturer: Falcon Safety Products, Inc.
Address: 25 Imclone Drive
Branchburg, NJ 08876
Phone: 1-908-707-4900

Emergency Telephone USA: (800) 498-7192

2. Composition/Information on Ingredients

Material	%	TLV	PEL	CAS #	UNITS
Morpholine		20	20	110-91-8	PPM
Monostat 1195		1000	1000	64-17-5	PPM
A-31	Butane	800	800	106-97-8	PPM
	Propane	1000	1000	74-98-6	PPM
	Isobutane	1000	1000	75-28-5	PPM
Isopropyl Alcohol		400	400	67-63-0	PPM
Ethylene Glycol Mono Butyl Ether		50	50	111-76-2	PPM

3. Hazard Identification

Potential Health Effects: Inhalation of high concentrations of vapor is harmful and may cause heart irregularities, unconsciousness. Intentional misuse or deliberate inhalation may cause death without warning. Vapor reduces oxygen available for breathing and is heavier than air. Liquid contact can cause frostbite. Long term exposure to high concentrations may cause lung, liver or kidney damage. Aspiration hazard if swallowed. Eye irritation is severe. Will cause skin irritation (effects are reversible). Ethylene Glycol may cause blood abnormalities and damage to the spleen and testes.

cause

Individuals with preexisting diseases of the central nervous or cardiovascular system may have increased susceptibility to the toxicity of excessive exposures.

Carcinogenicity Information: None of the components present in this material at concentrations equal to or greater than 0.1% are listed by IARC, NTP, OSHA or ACGIH as a carcinogen.

4. First Aid Measures

Inhalation: If high concentrations are inhaled, immediately remove to fresh air. Keep person calm. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Call a physician.

Skin Contact: In cases of contact, immediately flush skin with plenty of water for at least 15 minutes. Remove contaminated clothing and shoes. Call a physician. Treat for frostbite if necessary by gently warming affected area. Wash contaminated clothing before reuse.

Eye Contact: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.

Ingestion: Contact Poison Control Center ASAP.

Notes to Physicians: Because of possible disturbances of cardiac rhythm, catecholamine drugs, such as epinephrine, should be used with special caution only in situations of emergency life support.

5. Firefighting Measures

Flash Point: 160°F, 71°C

Flammable Limits in Air: LEL/UEL: 1.7 – 1.9, 8.3 – 8.5

Fire and Explosion Hazards: May burst when heated.

Extinguishing Media: Dry Chemical or Carbon Dioxide.

Special Fire Fighting Procedures: May rupture when heated.

6. Accidental Release Measures

Safeguards (Personnel) - NOTE: Review FIRE FIGHTING MEASURES and HANDLING (PERSONNEL) sections before proceeding with clean-up. Use appropriate PERSONAL PROTECTIVE EQUIPMENT during clean-up.

Accidental Release Measures: Ventilate area, especially low or enclosed places where heavy vapors might collect. Remove open flames. Use self-contained breathing apparatus (SCBA) if large spill or leak occurs. Dispose of in accordance with local, state and federal regulations. Use absorbent material to collect.

7. STORAGE AND HANDLING

Storage: Clean, dry area. Do not smoke while using. Wash hands after use.

8. Physical and Chemical Properties

Boiling Point	Range 11.7°F to 343°C
Vapor Density	4.0 (Air = 1.0)
Vapor Pressure	at 70°F 31 psig
pH	N/A
Solubility in Water	Soluble
Specific Gravity (H₂O=1)	.7864 @ 20/20°C
Odor	Citrus Smell
Form	Liquefied Gas
Color	Transparent
Evaporation Rate	N/A

9. Reactivity

Chemical Stability:	Material in stable. However avoid open flames and high temperatures.
Incompatibility:	Incompatible with oxidizers – aluminum, chlorine, acids, etc.
Polymerization:	Polymerization will not occur

10. Transportation Information

Proper Shipping Name:	Non-Hazardous Material
DOT Shipping Classification:	Domestic Ground Transportation. DOT Not Regulated

11. Other Information

Falcon Safety Products, Inc. expressly disclaim all express or implied warranties for merchantability and fitness for a particular purpose, with respect to the product or information provided herein.

All information appearing herein is based upon data obtained from the manufacturer. While the information is believed to be accurate, Falcon Safety Products, Inc. makes no representation as to its accuracy or sufficiency. Conditions of use are beyond Falcon Safety Products, Inc. control and therefore users are responsible to verify this data under their own operating conditions to determine whether the product is suitable for their particular purposes and they assume all risk of their use, handling and disposal of the product, or from the publication, or use of, or reliance upon, information contained herein. This information relates only to the product designated here and does not relate to its use in combination with any other material or in any other process. This information is based upon technical information believed to be reliable. It is subject to revision as additional knowledge and experience is gained.
